We are on the 53 m<sup>2</sup> terrace, 24 m<sup>2</sup> of which are covered.

Taking the stairs on the façade, we arrive at main entrance on the 1st floor.

After entering, the kitchen is on the left (12.9 m<sup>2</sup>) and the dining room is on the right (17.9 m<sup>2</sup>), with a fireplace insert. A big patio door opens onto the balcony.

The next room is a big 27 m<sup>2</sup> living room that is bathed in light.

To the right, the adjoining rooms consist of a bedroom (11.2 m<sup>2</sup>) currently used as a study and another bedroom (27.4 m<sup>2</sup>) that has access from the living room and can be divided into 2 separate bedrooms. An interior staircase connects the 2 levels of the house.

The ground floor is composed of a big kitchen (37 m<sup>2</sup>) and a living room (26 m<sup>2</sup>), both with patio doors giving onto the terrace. From the kitchen, you can go to a shower-room that is currently under construction, to the garage (22 m<sup>2</sup>) and to another room (26 m<sup>2</sup>) that is currently used as the plant room, but could be converted into bedrooms.

This property is finished off with a separate agricultural hangar (114 m<sup>2</sup>), with a carport and a wood shed.
